3.1 Overview

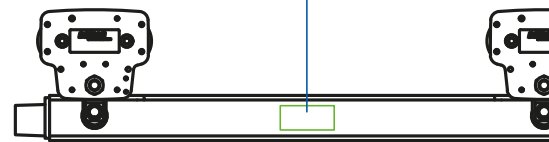

This is an overview of the stickers to be placed on our crane girders.

The sizes and ID numbers can be found on the following pages.

For the V-type crane, please note that the signs with logo and size are made on order as their size depends on the angle of the truss.

KTD-E 953 320 44
DFW-D-L, DFW-D-E 655 190 44
